Presentation

Sandy Swords from A Healing Center, presented to the committee for consideration for Intoxicated Driver Program (IDP) approval. She gave the committee a handout regarding their program. At this time, they have one substance abuse client. Questions and answers followed.

The group discussed the presentation. All agreed that they would like Sandy to come back when she has a substance abuse program that is up and running. Also, the Addiction Resource Council (ARC) was not present at this meeting and the group would like feedback from them on the information presented. The committee voted and agreed to have A Healing Center present to the IPID Committee when they have an established substance abuse treatment program.

Presentation

Judge JoAnn Eiring reviewed the process of the first time OWI offender in Municipal Court. She stated that about 98% of first offenders resolve the offense at their first court appearance. The Judge will go over the offender's rights, there is a six to nine month revocation of license and they must have a Drivers Safety Plan (DSP) assessment to get their license back. Discussion followed.

Old Business

Wisconsin Community Service will be invited to speak at the next IPID Committee meeting on December 10, 2009. A Criminal Court Judge will be asked to speak and the committee agreed to have the Addiction Resource Council speak on the Drivers Safety Plan assessment.
